

ERRATA TO “ADVANCED CALCULUS”

(Online edition)

G. B. Folland

Last updated December 12, 2023

Additional corrections will be gratefully received at `folland@math.washington.edu` .

“line $-n$ ” means “line n from the bottom.”

Page 36, Exercise 11b, line 2: $(2, 0) \rightarrow (2, 1)$

Page 179, Figure 4.8: The image of $(1, 1)$ should be $(a + b, c + d)$.
