

Application Form Wells-Fargo Fund Support for Mathday, 2008

This form should be used to apply for support from Wells-Fargo Fund for support for attendance at Mathday, March 24, 2008. The funds are for the support of students and teachers from Seattle and Tacoma area public high schools. The fund will pay for all registration fees (students, teachers, school). There will be a special lunch for the students. Teachers may attend either this lunch or the lunch for teachers. Applicants should not register directly using the normal Mathday form, but should use this form. You will be notified if your application is successful. It is anticipated that approximately seventy students and teachers will be supported. Early application is important; the deadline is February 1, 2008. The form should be mailed directly to:
